

## About **How to Putt for Success – Fine Tuning Your Golf Putting Technique**

- > If you'd like to have a practical guide with some drills and tests selected to help you with the basics of golf putting try this one.
- > It's useful if you still have some "holes" in your putting technique but can also help good players on the green that are momentarily in trouble with golf putting. And that can happen to all of us.
- > Reviewing the building blocks of golf putting technique is never a waste of time for anyone.
- > The best way to let you anticipate what you'll find in this ebook is to show some selected pages. Just follow the links.

[Cover page \(page 1\)](#)
